- The Town should pursue more federal grants.

Mayor Kiker reviewed that the action at the Regular Town Council Meeting would be to officially adopt the format of the evaluation form; adopt the findings of the evaluation form; and make the evaluation as part of the Town Manager’s record.

Recess at 10:25 a.m. – Reconvened at 10:40 a.m.

Council Member List read off the numbers assigned to the ‘Weighting Factor’.

Town Manager Stewart expressed his appreciation for working as Town Manager and for the Council’s recognition of his efforts.

Mayor Kiker noted there were individual comments from the Council included with the evaluation form; and he explained the process that Council would follow at tonight's evening meeting in order to formalize the evaluation.

Town Clerk Mayher restated the 'Recommendations for the Future'.

Discussion ensued with Council and the Town Manager as they reviewed each of the 'Recommendations'; Council offered examples of what they were seeking from each 'Recommendation'; and the Town Manager sought input and acknowledged their comments.

Vice Mayor Raymond noted his concerns regarding a new subdivision in San Carlos that would greatly impact San Carlos Boulevard, as well as other future development (i.e. hotels). He requested permission to inform the MPO of this problem for when they start planning the work to be done to San Carlos Boulevard.

Mayor Kiker suggested Vice Mayor Raymond bring the topic up at tonight's meeting. He pointed out there was an Interlocal Agreement with the County regarding informing the Town about development that would affect the Town.

Town Manager Stewart mentioned that the Town Council had approved hiring a Traffic Consultant to look at the traffic plan for the Ebb Tide, and it was almost completed. He reminded the Council they were notified that the County had approved the project to move forward in the process, so before the County reported to the Town, the Town should have the report from the Traffic Consultant.

Consensus approved the Vice Mayor's request to bring the matter up to the MPO.

Discussion was held regarding the potential impact of Ebb Tide to the Town.
